The Norwegian Endodontic Society has the pleasure to announce that SkandEndo 2020 will take place in Bergen, on 27th-29th of August 2020.

**Dental emergencies and beyond**  
**Interdisciplinary management on endodontic emergencies**

Come and enjoy two days of exciting and useful topics with a super team of lecturers from Bergen and Oslo

Enjoy a wonderful fjord cruise with colleagues and friends on board Norway’s biggest, oldest and finest sailing ship, the “Statsraad Lemkuhl”.

**Topics:**
- Introduction to Endodontic emergencies – classification and clinical managements
- First aid in the dental office
- Odontogenic/non-odontogenic pain
- Local anesthesia and “hot tooth”
- Dental trauma in children and adults
- Use of CBCT in dental emergencies
- Coronal management of endodontic emergencies
- General health conditions/medications affecting endodontic procedures
- Major injuries and iatrogenic mishaps requiring hospitalization
- Psychological aspects of dental emergencies

**Pre-congress hands-on courses will be offered (Thursday, Aug.27th 8:30 -12:00)**

**Limited number of participants**
