ESE PRIZE COMPETITIONS

ESE HELSINKI 2021

Time to start planning to submit applications for the ESE prize competitions at ESE Helsinki 2021.

Although ESE Helsinki 2021 is a long way off (8-11th September 2021), those wishing to submit applications for the Wladimir Adlivankine Research Prize Competition and the Education Prize Competition should be starting to make plans. The details of when, where and how to submit applications will be published in the next few months – however, it is very likely that submissions will start on 1 January 2021 and end on 1 March 2021.

For the regulations of the Wladimir Adlivankine Research Prize Competition:

The European Society of Endodontology offers a biennial prize, to be administered and awarded by the ESE Research Committee for the encouragement of research related to Endodontology.

For the regulations of the Education Prize Competition:

http://www.e-s-e.eu/education/education_prize.html

The European Society of Endodontology offers a biennial prize, to be administered by the ESE Education & Scholarship Committee, that recognises an outstanding piece of educational research or innovation related to Endodontology.

Registered postal address of the ESE
Postboks 1237 Vika, 0110 Oslo, Norway
