

Endodontic Topics

Endodontic Topics

© John Wiley & Sons A/S. Published by John Wiley & Sons Ltd

[Volume 28, Issue 1 Pages 1 - 140, March 2013](#)

The latest issue of Endodontic Topics is available on [Wiley Online Library](#)

Editorial

Pulp Regeneration (page 1)

Fabricio B. Teixeira

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12041

Original Articles

An update on clinical regenerative endodontics (pages 2–23)

Anibal Diogenes, Michael A. Henry, Fabricio B. Teixeira and Kenneth M. Hargreaves

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12040

Pulp regeneration in previously infected root canal space (pages 24–37)

Ashraf F. Fouad and Ali Nosrat

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12039

Dental pulp stem cells and regeneration (pages 38–50)

Misako Nakashima, Koichiro Iohara and Masashi Murakami

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12027

Challenges of stem cell-based pulp and dentin regeneration: a clinical perspective (pages 51–60)

George T.-J. Huang, Mey Al-Habib and Philippe Gauthier

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12035

Dentin–pulp regeneration: the primordial role of the microenvironment and its modification by traumatic injuries and bioactive materials (pages 61–89)

Imad About

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12038

Molecular mediators of pulp inflammation and regeneration (pages 90–105)

Paul R. Cooper and Anthony J. Smith

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12036

Dentin and dental pulp regeneration by the patient's endogenous cells (pages 106–117)

Sahng G. Kim, Ying Zheng, Jian Zhou, Mo Chen, Mildred C. Embree, Karen Song, Nan Jiang and Jeremy J. Mao

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12037

Biographies

Imad About, PHD, Professor of Oral Biology, Faculté d'odontologie, Aix-Marseille Université, Marseille, France (page 118)

Imad About

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12038_1

Mey Al-Habib, BDS, Endodontic Resident, Henry M. Goldman School of Dental Medicine, Boston University, Boston, Massachusetts, USA (page 119)

Mey Al-Habib

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12035_2

Mo Chen, PHD, Research Scientist, College of Dental Medicine, Columbia University, New York, New York, USA (page 120)

Mo Chen

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12037_9

Paul R. Cooper, PHD, Professor of Oral Biology, School of Dentistry, University of Birmingham, Birmingham, UK (page 121)

Paul R. Cooper

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12036_1

Anibal Diogenes, DDS, MS, PHD, Assistant Professor, Department of Endodontics, University of Texas Health Science Center at San Antonio, San Antonio, Texas, USA (page 122)

Anibal Diogenes

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12040_1

Mildred C. Embree, DMD, PHD, Center for Craniofacial Regeneration, Columbia University, New York, New York, USA (page 123)

Mildred C. Embree

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12042_3

Ashraf F. Fouad, DDS, MS, Professor and Chairman, Department of Endodontics, Prosthodontics & Operative Dentistry, School of Dentistry, University of Maryland, Baltimore, Maryland, USA (page 124)

Ashraf F. Fouad

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12039_1

Philippe Gauthier, DMD, Endodontic Resident, Henry M. Goldman School of Dental Medicine, Boston University, Boston, Massachusetts, USA (page 125)

Philippe Gauthier

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12035_3

Kenneth M. Hargreaves, DDS, PHD, Professor and Chair, Department of Endodontics, University of Texas Health Science Center at San Antonio, San Antonio, Texas, USA (page 126)

Kenneth M. Hargreaves

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12040_2

Michael A. Henry, DDS, PHD, Professor, Department of Endodontics, University of Texas Health Science Center at San Antonio, San Antonio, Texas, USA (page 127)

Michael A. Henry

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12040_3

George T.-J. Huang, DDS, MSD, DSC, Professor and Director for Stem Cells & Regenerative Therapies, Department of Bioscience Research, College of Dentistry, University of Tennessee Health Science Center, Memphis, Tennessee, USA (page 128)

George T.-J. Huang

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12035_1

Koichiro Iohara, PHD, Chief, Department of Dental Regenerative Medicine, Center for Advanced Treatment for Dental and Oral Disease, National Center for Geriatrics and Gerontology Research

Institute, Aichi, Japan (page 129)

Koichiro Iohara

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12027_2

Nan Jiang, DDS, Center for Craniofacial Regeneration, Columbia University, New York, New York, USA (page 130)

Nan Jiang

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12042_1

Sahng G. Kim, DDS, MS, Director, Postgraduate Program, Assistant Professor of Clinical Dental Medicine, Division of Endodontics, College of Dental Medicine, Columbia University, New York, New York, USA (page 131)

Sahng G. Kim

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12037_2

Jeremy J. Mao, DDS, PHD, Edwin S. Robinson Professor, Senior Associate Dean for Research, College of Dental Medicine, Columbia University, New York, New York, USA (page 132)

Jeremy J. Mao

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12037_1

Masashi Murakami, PHD, Research Fellow, Department of Dental Regenerative Medicine, Center for Advanced Treatment for Dental and Oral Disease, National Center for Geriatrics and Gerontology Research Institute, Aichi, Japan (page 133)

Masashi Murakami

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12027_3

Misako Nakashima, PHD, Chief, Department of Oral Disease Research, National Institute for Longevity Sciences, National Center for Geriatrics & Gerontology, Aichi, Japan (page 134)

Misako Nakashima

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12027_1

Ali Nosrat, DDS, MS, Postgraduate Endodontic Resident, School of Dentistry, University of Maryland, Baltimore, Maryland, USA (page 135)

Ali Nosrat

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12039_2

Anthony J. Smith, PHD, Professor, School of Dentistry, University of Birmingham, Birmingham, UK (page 136)

Anthony J. Smith

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12036_2

Songhee (Karen) Song, DDS, MS, Post-Doctoral Research Scientist, Periodontics & Implant Dentistry, Center for Craniofacial Regeneration, Columbia University Medical Center, New York, New York, USA (page 137)

Songhee (Karen) Song

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12037_4

Fabricio B. Teixeira, DDS, MSC, PHD, Associate Professor and Director, Residency Program in Endodontics, University of Texas Health Science Center at San Antonio, San Antonio, Texas, USA (page 138)

Fabricio B. Teixeira

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12040_4

Ying Zheng, DDS, PHD, Post-Doctoral Research Scientist, Center for Craniofacial Regeneration, Columbia University, New York, New York, USA (page 139)

Ying Zheng

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12042_2

Jian Zhou, DDS, MD, PHD, Post-Doctoral Research Scientist, Columbia University, New York, New York, USA (page 140)

Jian Zhou

Article first published online: 23 JUN 2013 | DOI: 10.1111/etp.12037_3
