New ESE Chief Operating Officer

KAREEN FORISSIER

The Executive Board are delighted to announce the appointment of Dr Kareen Forissier as the Society's new Chief Operating Officer. Kareen will work as an independent contractor to direct and manage the operations of the ESE to ensure it achieves its strategic aims and objectives. The COO position will replace the post of Interim CEO held by Paul Dummer for the last two years.

Kareen joins the ESE as an outstanding operational manager, team leader and project manager. She has a background in Chemistry, with a Bachelor's degree from Imperial College London, and a Masters and Doctorate from École Polytechnique, Paris. She also has a Master's in Business Administration from the University of Phoenix, USA.

Kareen has extensive experience in setting up the operational backbone of organisations. Her additional experience in European funding and business management will support ESE's goal of expanding its reach, both strategically and financially.
